Academic Session

2024-28

Project Objective

The objective of this project is to collect book-related information from Goodreads using web scraping techniques and perform data preprocessing, analysis, and

visualization to derive meaningful insights.

1. Introduction

Goodreads is one of the largest online platforms for book readers and reviewers. The purpose of this project is to extract book-related information from Goodreads using web scraping techniques and analyze the collected data to identify trends, popular genres, highly rated books, and author statistics.

This project focuses on extracting book information such as book titles, author names, ratings, reviews, and genres from Goodreads using web scraping techniques. The collected data is then processed, analyzed, and visualized to derive meaningful insights about books and reader preferences.

2. Problem Statement

Goodreads contains a vast collection of book-related information, including titles, authors, ratings, reviews, and genres. Manually collecting and organizing this data is a time-consuming and inefficient process, especially when dealing with a large number of books.

The primary challenge is to automate the extraction of relevant book information from Goodreads efficiently and accurately. This project addresses the problem by utilizing Python-based web scraping techniques to collect, structure, and analyze the data for further insights and decision-making.

3. Website Understanding

Before performing web scraping, it is important to understand the structure of the Goodreads website. The target information includes book titles, author names, ratings, reviews, and other relevant details.

Website Used: Goodreads[<https://www.goodreads.com/quotes>]

4. Website Understanding

Before starting the web scraping process, it is important to understand the structure and content of the target website. Goodreads is a popular platform that provides extensive information about books, authors, ratings, and reader reviews.

Website Used

Goodreads

Target Information

- Quote Text
- Author Name
- Image url
- Number of Reviews

5. Data Collection Methodology

The data collection process follows a systematic approach to retrieve and organize book-related information from Goodreads. The methodology ensures efficient extraction, processing, and storage of the required data.

1. Send an HTTP request to the Goodreads website.
2. Retrieve the HTML source code of the webpage.
3. Parse the HTML content using the BeautifulSoup library.
4. Identify and extract the required data fields.

5. Store the extracted data in a structured Pandas DataFrame.
6. Prepare the dataset for further analysis and visualization.

6. Web Scraping Implementation

This section demonstrates the implementation of web scraping using Python. The Goodreads webpage is accessed, parsed, and relevant book information is extracted using BeautifulSoup.

Libraries Used

- **Requests** – Used to send HTTP requests and fetch the Flipkart webpage content.
- **BeautifulSoup (bs4)** – Used for parsing HTML and extracting required product data like name, price, and images.
- **Pandas** – Used to store scraped data in structured format (DataFrame) and export it to CSV/Excel.

```
In [11]: # !pip install requests
import requests
```

Step 1: Send Request

```
In [13]: url = "https://www.goodreads.com/quotes"
response = requests.get(url)
```

Step 2: Parse HTML

```
In [16]: headers = {'User-Agent': 'Mozilla/5.0 (windows NT 10.0; Win64; x64) AppleWebKit/537.3'
response = requests.get(url, headers = headers)
```

```
In [17]: response.status_code
```

Out[17]: 200

```
In [18]: import requests  
url= "https://www.goodreads.com/quotes"  
response.status_code  
print(response.text)
```

```

He wants to dream about Cho Chang, his crush (and maybe do more than dream). He wants to find out about the mysterious event involving two other rival schools of magic, and a competition that hasn't happened for hundreds of years. He wants to be a normal, fourteen-year-old wizard. Unfortunately for Harry Potter, he's not normal; he's different -- even by wizarding standards. And in this case, different can be deadly.&lt;/span&gt;\n &lt;a data-text-id=\"18200962345273154455\" href=\"#\" onclick=\"swapContent(\$(this));\" return false;\"&gt;...more&lt;/a&gt;\n\n &lt;/div&gt;\n\n &lt;div class=\"wtrButtonContainer wtrSignedOut\" id=\"1_book_6\"&gt;\n&lt;div class=\"wtrUp wtrLeft\"&gt;\n&lt;form action=\"/shelf/add_to_shelf\" accept-charset=\"UTF-8\" method=\"post\"&gt;&lt;input name=\"utf8\" type=\"hidden\" value=\"&amp;#x2713;\" /&gt;&lt;input type=\"hidden\" name=\"authenticity_token\" value=\"Mo11IYoyvE0enQp4MjecjSpnkHF00sZ6IgEVE2Ht/z8trxNPA7+OGne9jdX2iNwKHtTDCNfc4Hl6MOcvDzKE3g==\" /&gt;\n&lt;input type=\"hidden\" name=\"book_id\" id=\"book_id\" value=\"6\" /&gt;\n&lt;input type=\"hidden\" name=\"name\" id=\"name\" value=\"to-read\" /&gt;\n&lt;input type=\"hidden\" name=\"unique_id\" id=\"unique_id\" value=\"1_book_6\" /&gt;\n&lt;input type=\"hidden\" name=\"wtr_new\" id=\"wtr_new\" value=\"true\" /&gt;\n&lt;input type=\"hidden\" name=\"from_choice\" id=\"from_choice\" value=\"false\" /&gt;\n&lt;input type=\"hidden\" name=\"from_home_module\" id=\"from_home_module\" value=\"false\" /&gt;\n&lt;input type=

But there comes a time to see\n            what it looks like from the dance floor.\n\n            This haunting novel about the dilemma of passivity vs. passion marks the stunning debut of a provocative new voice in contemporary fiction: The Perks of Being A WALLFLOWER\n\n            This is the story of what it's like to grow up in high school. More intimate than a diary, Charlie's letters are singular and unique, hilarious and devastating. We may not know where he lives. We may not know to whom he is writing. All we know is the world he shares. Caught between trying to live his life and trying to run from it puts him on a strange course through uncharted territory. The world of first dates and mixed tapes, family dramas and new friends. The world of sex, drugs, and The Rocky Horror Picture Show, when all one requires is that the perfect song on that perfect drive to feel infinite.\n\n            Through Charlie, Stephen Chbosky has created a deeply affecting coming-of-age story, a powerful novel that will spirit you back to those wild and poignant roller coaster days known as growing up.\n\n            (back cover)</span>\n            <a data-t

<!--

This partial loads on almost every page view. The associated React component makes a call to `SignInPromptController#get` to determine if the user should see the sign in interstitial.

This is determined by how many signed out pagehits the user has executed and how recently they have

last seen the interstitial. If the controller responds indicating the popup should appear, the

React component will render its content.

t10914031928616468891\" style=\"display:none\">The Four Loves summarizes four kinds
of human love--affection, friendship, erotic love, and the love of God. Masterful wi
thout being magisterial, this book\'s wise, gentle, candid reflections on the virtue
s and dangers of love draw on sources from Jane Austen to St. Augustine. The chapter
on charity (love of God) may be the best thing Lewis ever wrote about Christianity.
Consider his reflection on Augustine\'s teaching that one must love only God, becaus
e only God is eternal, and all earthly love will someday pass away: Who could conce
ivably begin to love God on such a prudential ground--because the security (so to sp
eak) is better? Who could even include it among the grounds for loving? Would you ch
oose a wife or a Friend--if it comes to that, would you choose a dog--in this spiri
t? One must be outside the world of love, of all loves, before one thus calculates.
His description of Christianity here is no less forceful and opinionated than in Mer
e Christianity or The Problem of Pain, but it is far less anxious about its reader
\'s response--and therefore more persuasive than any of his apologetics. When he beg
ins to describe the nature of faith, Lewis writes: &quot;Take it as one man\'s rever
ie, almost one man\'s myth. If anything in it is useful to you, use it; if anything
is not, never give it a second thought.&quot; --Michael Joseph Gross</span>\n    <a d

\"display:none\">standing on the fringes of life...\noffers a unique perspective. Bu
t there comes a time to see\nwhat it looks like from the dance floor.\n\nThis haunti
ng novel about the dilemma of passivity vs. passion marks the stunning debut of a pr
ovocative new voice in contemporary fiction: The Perks of Being A WALLFLOWER\n\nThis
is the story of what it's like to grow up in high school. More intimate than a diar
y, Charlie's letters are singular and unique, hilarious and devastating. We may not
know where he lives. We may not know to whom he is writing. All we know is the world
he shares. Caught between trying to live his life and trying to run from it puts him
on a strange course through uncharted territory. The world of first dates and mixed
tapes, family dramas and new friends. The world of sex, drugs, and The Rocky Horror
Picture Show, when all one requires is that the perfect song on that perfect drive t
o feel infinite.\n\nThrough Charlie, Stephen Chbosky has created a deeply affecting
coming-of-age story, a powerful novel that will spirit you back to those wild and po
ignant roller coaster days known as growing up.\n\n(back cover)</span>\n      <a data-t

```

This partial loads on almost every page view. The associated React component makes a call to `SignInPromptController#get` to determine if the user should see the sign in interstitial.

This is determined by how many signed out pagehits the user has executed and how recently they have

last seen the interstitial. If the controller responds indicating the popup should appear, the

React component will render its content.

&lt;span id=\"freeTextContainer10914031928616468891\"&gt;The Four Loves summarizes four ki
nds of human love--affection, friendship, erotic love, and the love of God. Masterfu
l without being magisterial, this book&amp;apos;s wise, gentle, candid reflections on th
e virtues and dangers of love draw on sources from Jan&lt;/span&gt;\n    &lt;span id=\"freeTex
t10914031928616468891\" style=\"display:none\"&gt;The Four Loves summarizes four kinds
of human love--affection, friendship, erotic love, and the love of God. Masterful wi
thout being magisterial, this book\'s wise, gentle, candid reflections on the virtue
s and dangers of love draw on sources from Jane Austen to St. Augustine. The chapter
on charity (love of God) may be the best thing Lewis ever wrote about Christianity.
Consider his reflection on Augustine\'s teaching that one must love only God, becaus
e only God is eternal, and all earthly love will someday pass away: Who could conce
ivably begin to love God on such a prudential ground--because the security (so to sp
eak) is better? Who could even include it among the grounds for loving? Would you ch
oose a wife or a Friend--if it comes to that, would you choose a dog--in this spiri
t? One must be outside the world of love, of all loves, before one thus calculates.
His description of Christianity here is no less forceful and opinionated than in Mer
e Christianity or The Problem of Pain, but it is far less anxious about its reader
\'s response--and therefore more persuasive than any of his apologetics. When he beg
ins to describe the nature of faith, Lewis writes: &amp;quot;Take it as one man\'s rever
ie, almost one man\'s myth. If anything in it is useful to you, use it; if anything
is not, never give it a second thought.&amp;quot; --Michael Joseph Gross&lt;/span&gt;\n    &lt;a d

t there comes a time to see\nwhat it looks like from the dance floor.\n\nThis haunti
ng novel about the dilemma of passivity vs. passion marks the stunning debut of a pr
ovocative new voice in contemporary fiction: The Perks of Being A WALLFLOWER\n\nThis

```

is the story of what it's like to grow up in high school. More intimate than a diary, Charlie's letters are singular and unique, hilarious and devastating. We may not know where he lives. We may not know to whom he is writing. All we know is the world he shares. Caught between trying to live his life and trying to run from it puts him on a strange course through uncharted territory. The world of first dates and mixed tapes, family dramas and new friends. The world of sex, drugs, and The Rocky Horror Picture Show, when all one requires is that the perfect song on that perfect drive to feel infinite.

Through Charlie, Stephen Chbosky has created a deeply affecting coming-of-age story, a powerful novel that will spirit you back to those wild and poignant roller coaster days known as growing up.

forms a &quot;spiritual autobiography&quot; of André Gide, a key figure of French le
tters André Gide, a literary and intellectual giant of twentieth-century France, min
es his memories and personal observations in this collection of essays. Gide's refl
ections and commentary masterfully showcase his delicate writing style and evocative
sensibility, yielding new insights on writers such as Goethe and contemporaries Jose
ph Conrad, Nicolas Poussin, Arthur Rimbaud, and Paul-Marie Verlaine. Through it all,
Gide skillfully investigates humanity's contradictory nature and struggles to resol
ve the moral, political, and religious conflicts inherent in daily life.</span>\n

[illegible]

This partial loads on almost every page view. The associated React component makes a call to `SignInPromptController#get` to determine if the user should see the sign in interstitial.

This is determined by how many signed out pagehits the user has executed and how recently they have

last seen the insterstitial. If the controller responds indicating the popup should appear, the

React component will render its content.

-->

```
<div data-react-class="ReactComponents.LoginInterstitial" data-react-props='{"allowFacebookSignIn":true,"allowAmazonSignIn":true,"overrideSignedOutPageCount":true,"path":{"signInUrl":"/user/sign_in","signUpUrl":"/user/sign_up","privacyUrl":"/about/privacy","termsUrl":"/about/terms","thirdPartyRedirectUrl":"/user/new?connect_prompt=true"}}'>

    y:none\">The Four Loves summarizes four kinds of human love--affection, friendshi
    p, erotic love, and the love of God. Masterful without being magisterial, this boo
    k\'s wise, gentle, candid reflections on the virtues and dangers of love draw on s
    ources from Jane Austen to St. Augustine. The chapter on charity (love of God) may
    be the best thing Lewis ever wrote about Christianity. Consider his reflection on
    Augustine\'s teaching that one must love only God, because only God is eternal, an
    d all earthly love will someday pass away: Who could conceivably begin to love Go
    d on such a prudential ground--because the security (so to speak) is better? Who c
    ould even include it among the grounds for loving? Would you choose a wife or a Fr
    iend--if it comes to that, would you choose a dog--in this spirit? One must be out
    side the world of love, of all loves, before one thus calculates. His description
    of Christianity here is no less forceful and opinionated than in Mere Christianity
    or The Problem of Pain, but it is far less anxious about its reader\'s response--a
    nd therefore more persuasive than any of his apologetics. When he begins to descri
    be the nature of faith, Lewis writes: &quot;Take it as one man\'s reverie, almost
    one man\'s myth. If anything in it is useful to you, use it; if anything is not, n
    ever give it a second thought.&quot; --Michael Joseph Gross</span>\n      <a data-tex

ffers a unique perspective. But there comes a time to see\nwhat it looks like from
the dance floor.\n\nThis haunting novel about the dilemma of passivity vs. passion
marks the stunning debut of a provocative new voice in contemporary fiction: The P
erks of Being A WALLFLOWER\n\nThis is the story of what it's like to grow up in h
igh school. More intimate than a diary, Charlie's letters are singular and uniqu
e, hilarious and devastating. We may not know where he lives. We may not know to w
hom he is writing. All we know is the world he shares. Caught between trying to li
ve his life and trying to run from it puts him on a strange course through unchart
ed territory. The world of first dates and mixed tapes, family dramas and new frie
nds. The world of sex, drugs, and The Rocky Horror Picture Show, when all one requ
ires is that the perfect song on that perfect drive to feel infinite.\n\nThrough C
harlie, Stephen Chbosky has created a deeply affecting coming-of-age story, a powe
rful novel that will spirit you back to those wild and poignant roller coaster day
s known as growing up.\n\n(back cover)&lt;/span&gt;\n      &lt;a data-text-id=\"15723471638685
